A certificate of deposit (CD) is a savings product that earns interest on a lump sum for a fixed period of time. A CD is a good alternative if you're risk-averse when investing. A CD is a type of savings account that allows you to earn interest at a fixed rate that's currently higher than what's available with traditional savings accounts.

*"We chose Midland Credit Union because our old bank closed and Midland was close to our home. We stay with Midland because of the way we're treated.
