**Mobile Wallets Now Available!**

What is a Mobile Wallet?

Mobile Wallet lets you digitally store your debit or credit card on your compatible mobile device. Your mobile device can then access the wallet to complete purchases at participating locations rather than using the physical plastic card. Payment is made

by placing your phone or smartwatch near the compatible terminal at checkout. Mobile Wallets are available for all Midland Credit Union debit and credit cards.

When you complete a transaction using a mobile wallet:

- Your name, card number, and security code stay private.
- There is no need to pull out a plastic card when making purchases.
- Your debit or credit card numbers are never shared with merchants.
- The merchant receives only a transaction-specific code or “token” to process your payment.

---

### **Best Practices - Don't Be A Victim**

- Get your mail on time. If you are on vacation, ask for a friend or neighbor to pick it up for you. You can also have it held at your local post office.
- Read refund and return policies prior to making an online purchase.
- Continually monitor your credit /debit card transactions to increase the chance of spotting unauthorized purchases or withdrawals.
- If you receive a text or email that looks suspicious, do not click on links or respond to it in any way. If you are concerned your account is compromised, check with your credit union using the contact information found on your financial institution's website.
- Watch what you share on your social media profiles to avoid potential romance scams.

- Secure your personal information. Before providing any personal information, such as your date of birth, Social Security number, account numbers, and passwords, be sure the website is secure.
- Do not open emails from people you don't know. If you are unsure whether an email you received is legitimate, try contacting the sender directly via other means.
- Resist pressure. Legitimate companies and charities will be happy to give you time to make a decision. It's probably a scam if they demand that you act immediately or won't take "no" for an answer.

---

### **ICUF Disaster Grant Program**

The Iowa Credit Union Foundation (ICUF) supports Iowa credit union members who have been displaced from their homes for an extended period of time due to disasters such as tornadoes, flooding or fire. ICUF is able to provide assistance thanks to donor support and based on funds availability.

The ICUF is aware of need coming from areas of Iowa in response to widespread flooding in June which damaged homes, businesses and buildings across Iowa.

The ICUF's Disaster Grant eligibility is limited to Iowans who are members of an Iowa credit union, are displaced due to significant damage to their home and have critical financial need. Grants are limited to \$500 per household. Submission of a grant application does not guarantee funding. If you have critical need due to displacement from your home, please contact your credit union for our grant assistance application. If you are unable to reach your credit union to access a grant application, please email us at [info@iowacreditunionfoundation.org](mailto:info@iowacreditunionfoundation.org).

★★★★★ Jun 1, 2023

Long time member, first time poster. The staff at Midland has treated me with kindness and professionalism for 40 years. I lived out of state for 9 years and kept them as my financial institution because the service has always been that good.
